Holston Conference of the M. E. Church.

PICKETS, GREENEVILLE, Oct. 11, 1871. The Holston Conference of the Methodist Episcopal Church met to-day in the M. E. Church in this town. About eighty ministers and about twenty laymen were

present at the opening.

At 9 A.M., Bishop Scott opened the session by reading the second Psalm and the 4th chapter of 2d Corinthians as the Scripture lessons, after which he announced the 218th hymn, and then called upon Rev. R. W. Patty and Rev. N. E. Cobleigh, D. D., to lead in prayer. These services were very impressive.

Rev. J. J. Manker was again elected Secretary, with Rev. J. A. Ruble, and E. M. Lockwood assistants; Rev. J. S. Petty Recording Secretary, and Rev. R. D. Black Statistical Secretary.
The Presiding Elders were appointed as

a committee to nominate the various committees usually appointed. While this committee retired to make the nominations, various reports from the Book concerns were presented, all of interest to the Conference.

Rev. James Mitchell, of the Virginia Conference, was introduced, also, Rev. Wm. Millbern, of the same Conference. Rev. Geo. Caldwell, of the Presbyterian Church, was also introduced to the Con-

signed, came in and made the nominations of committees.

Bishop Scott then announced that as the Conference was now fully organized and ready for business, he would make a Goods received for this day few remarks. All present listened with marked and almost breathless attention. Although the weight of seventy years is upon the Bishop yet he seems quite active, and speaks with great ease and fluency. He alluded in a touching and impressive manner to the loss of the Church in the three Bishops that have fallen in about a year. He also spoke of the delicate yet interesting and elevating work of the min-

As this is the first time that laymen have met in the sessions of this Conference, those present were called forward and introduced. Many items of minor importance were

It was finally decided, by a resolution, that those who are not prompt in at-tendance shall be continued without advancement until the next year. After various announcements concerning the meetings of committees, the Conference ad-

Dr. Fowler's Compound Extract,

Scrofula, Syphilis, Liver Complaint Consumption, Chronic Rheumatism, Diseases of the Kidneys and Bladder, and all Blood Impurities.

We offer to the American public a new and valua ble remedy for the above-mentioned diseases. Fowler's Compound Extract is composed of the best medicines known to Materia Medica. It is perfectly pure in all its ingredients, being composed of several wellknown articles universally used by the best Physicians, each of which-in combination-supplies what experience has shown to be wanting when singly employed; but the result of patient investigation, requiring time, labor and skill, so as to give the public a genuine article, which they can rely upon, and in place of the worthelss and dangerous Patent Medicines flooding the country; and therefore enables us to warrant Fowler's Compound Extract to be the most perfect curative for diseases of the blood ever discovered.

SCROFULA.

This compound is a never-failing cure for this terrible disease. How many diseases have their seat in the blood-diseases which have been treated invain for years. If the blood alone is purified, in most cases health and happiness will soon return. Dr. Fowler's Compound acts especially upon the virus in the blood, causing in time the disappearance of the hideous sores, and restoring the skin to a beautiful appearance, the eye clear and sparkling, and the whole human organization becomes healthy.

SYPHILIS. Of all diseases which flesh is heir to, none bring so much mysery, moral and physical, as Syphilis. To all so afflicted we can truly say this remedy will help you. Two articles found, by experience, to be peculiarly efficacious for this disease are contained in this compoun !

"Kip Polkas Calf Bals.
"Buff Bals. and, by giving it a fair trial, it will cure you. We speak with much confidence of Dr. Fowler's Compound, because we know what it, is composed of, and what it will do. We know Dr. Fowler well, who is a physician of known repute, standing second to none in the country, of long experience, an honors ble man, who, having a reputation for character, as well as ourselves, would never allow a medicine to go before the public without merit. And we say of this Compound, if taken according to directions, after a fair

> trial, it will do all we claim for it. We offer it as a new discovery, which it certainly is -a genuine article for Scrofula, Syphilis, and all blood impurities; and knowing the genuineness of it, as such we send it forth, saying, "Go, Heal the Suffering!"
